Anyone who has not sent in copies of horses passport prior to the show for checking showing name page and all vaccinations will not be on the entry sheet-Remember to also bring them to the show - all horses should be travelled with their passports.

These are all not before times. It will not be possible to hold any classes or change entries to other classes under any circumstances.

A refusal often offends. Trailers will need to park in the field. Warm up is also in the field- please read the biosecurity policy it will be strictly followed anyone contravening it will be told to leave- no grazing in the field or on show ground- take all rubbish home - do not skip out lorries and trailers . you must take it home. Here is to a good safe show.
